WHAT THIS PROGRAMME IS ALL ABOUT

School holidays are the time of the year where students want to play and forget about studying. They just want to play, and who cares about learning? Right?

Wicked Aura Batucada offers the opportunity for students to learn more about various facets of life: there's the music and the beats, but also a whole lot of others, from discipline to team building and trust through fun and creative workshops designed to be incorporated into a school camp programme. Get the students hyped-up and inspired for the next term through playing music and percussion.

In short, the band offers what both the students and teachers want: the chance to have fun and play, and the opportunity to learn beyond the classroom.

This programme is perfect to be held in conjunction with holiday camps, or other enrichment opportunities.
